Subject: Opposing Bills SB105, SB109, HB5122, HB5123, HB5118 and HB5126

Hi,

I am Latha Rams and we are the long term property owners and landlord in CT and we strongly oppose all of the below bills which will definitely hurt all landlords and will get an impact on the economy as well!

SB105, SB109, HB5122, HB5123, HB5118 and HB5126

Thanks for your consideration in this matter!
